

ICMSA2018

International Conference on
Mathematical Studies and
Applications

2018

October 4-6, 2018
Karaman, Turkey

International Conference
on Mathematical Studies and Applications 2018

Certificate of Participation

This to certify that

Erhan GÜLER

has presented a talk entitled

Torus-type Helicoidal Hypersurface In 4-space

in "International Conference on Mathematical Studies and Applications
2018" organized by Karamanoğlu Mehmetbey University, Kamil Özdağ
Science Faculty, Department of Mathematics, Karaman, Turkey, on

October 4-6, 2018.

Prof. Dr. İbrahim YILMAZ
Conference Chairman

Karamanoğlu Mehmetbey University
